CIR/GPS/1-275/2026-27

Dated: 02/05/2026

Subject: Introduction of CBSE Computational Thinking Classes (Class III to V)

Dear Parents,

We are glad to introduce CBSE Computational Thinking classes for students of **Classes III to V**. It has been introduced under Circular No. Acad-15/2026 dated on 01.04.2026. This initiative aims to equip young learners with essential 21st-century skills such as logical reasoning, problem-solving, creativity, and an engaging and age-appropriate manner.

Through these sessions, students will develop critical thinking abilities and gain exposure to foundational digital skills, preparing them for the future in a fun and interactive way.

We look forward to your support in encouraging your child to actively participate in this enriching learning experience.

Warm regards,

Principal

Gagan Public School,
