Subject: Introduction of Computational Thinking & Artificial Intelligence Classes

Dear Parents,

We are pleased to inform you that, in accordance with the latest educational initiatives and CBSE guidelines, Computational Thinking and Artificial Intelligence have been introduced for students as per the following class-wise structure:

- Classes III–V: Computational Thinking

- Classes VI–VIII: Computational Thinking & Artificial Intelligence (as per CBSE norms)

The book details and curriculum layout have already been shared with you. Regular classes for these subjects will commence from Monday.

We request all parents to kindly purchase the prescribed books for their ward at the earliest, according to the subject applicable to their class, so that students are well-prepared to participate in the classes from the very beginning.

Your support and cooperation in ensuring timely availability of the required books will help provide a smooth and enriching learning experience for our students.

Regards,

Principal
Gagan Public School,
Greater Noida West
